# what's *news*

Take a look at what's hot in plants, curl up with a beautiful new book and cast your eye over some great ideas for your garden

**1** **Red Pink Lipstick** is a new colour in the **Salvia Grandstand series**. Columns of bright flowers tower above the foliage, and blooms are self-cleaning on these easy-to-grow, sun-loving plants. Reliable performers in heat, humidity and drought, they bloom from spring to late summer. ballaustralia.com.au

**2** With its combination of a sweet fragrance and beautiful colour, **Petunia 'Blue Sensation'** is a lovely choice for summer ga

**1. Invisifeet pot feet** from HomeLeisure discreetly raise pots and saucers off the ground and are barely visible. By allowing adequate airflow underneath the pots, they can also reduce staining on timber decks or paved areas. Place four Invisifeet under each pot. Made in Australia. homeleisure.com.au
